

SCOURSE

Your digital academic advisor

Carnegie
Mellon
University

Don't let your dreams get blurred!

Vision

To empower students to tackle decision fatigue and make informed career choices

Problem

Course Selection

Career Outcome

*Disintegrated information across platforms makes CMU students waste
several hours per semester to choose the **wrong courses**.
... while figuring out life and coping with the workload*

CONFUSION. FATIGUE. REGRET.

The Gap - Current Scenario

Course Selection

Browse through courses

Understand the syllabus

Browse through SmartEvals

Conversations with Academic Advisor and alumni

On average
36 hours / semester

+

Career Outcome

Decide what to do

Research past trends on LinkedIn, Handshake

Speak with Alumni and Career Advisors

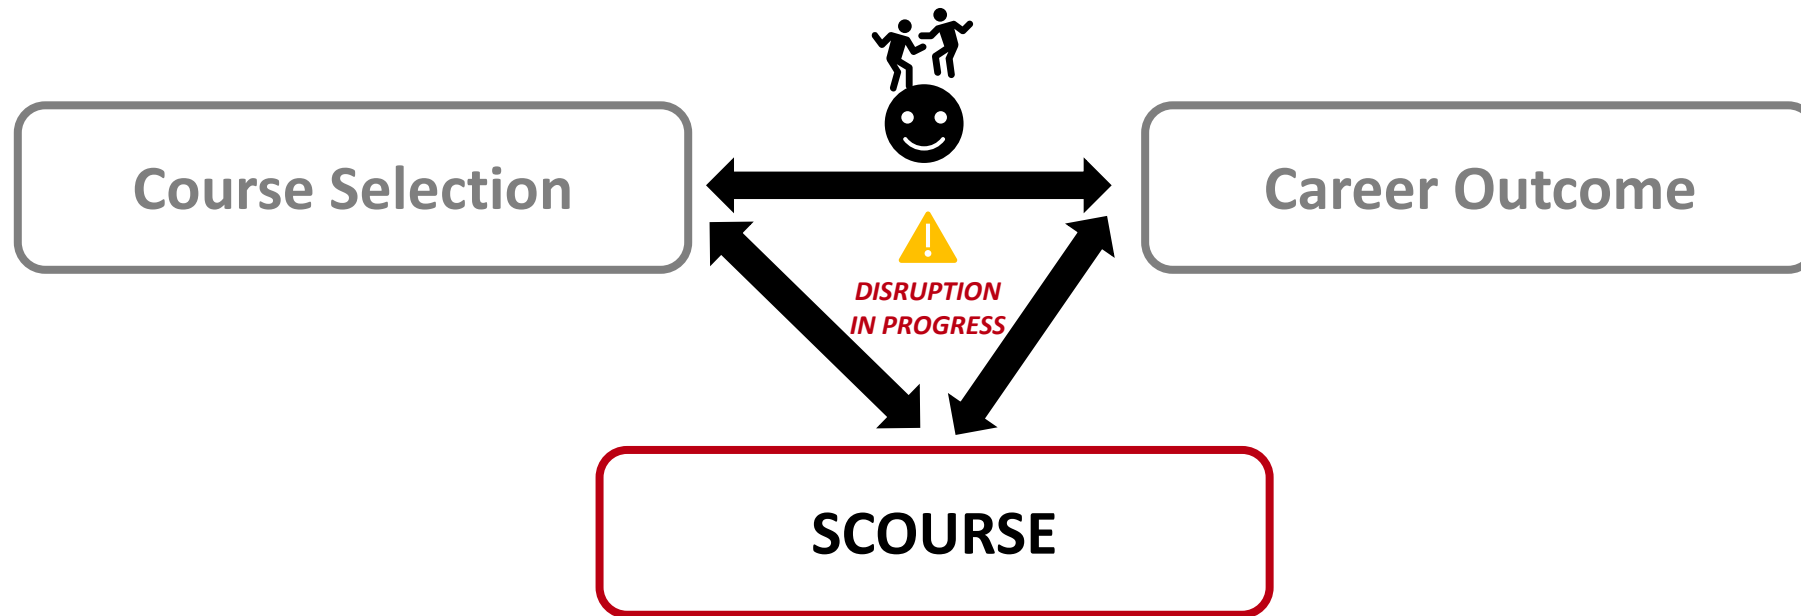

Talk more. Think more. Repeat

Lifelong process. At least
20 hours / semester

Solution

A **centralized solution** that **correlates** information **across platforms** to provide a **smart recommender** of courses based on a **student's interest**, and desired career outcome.

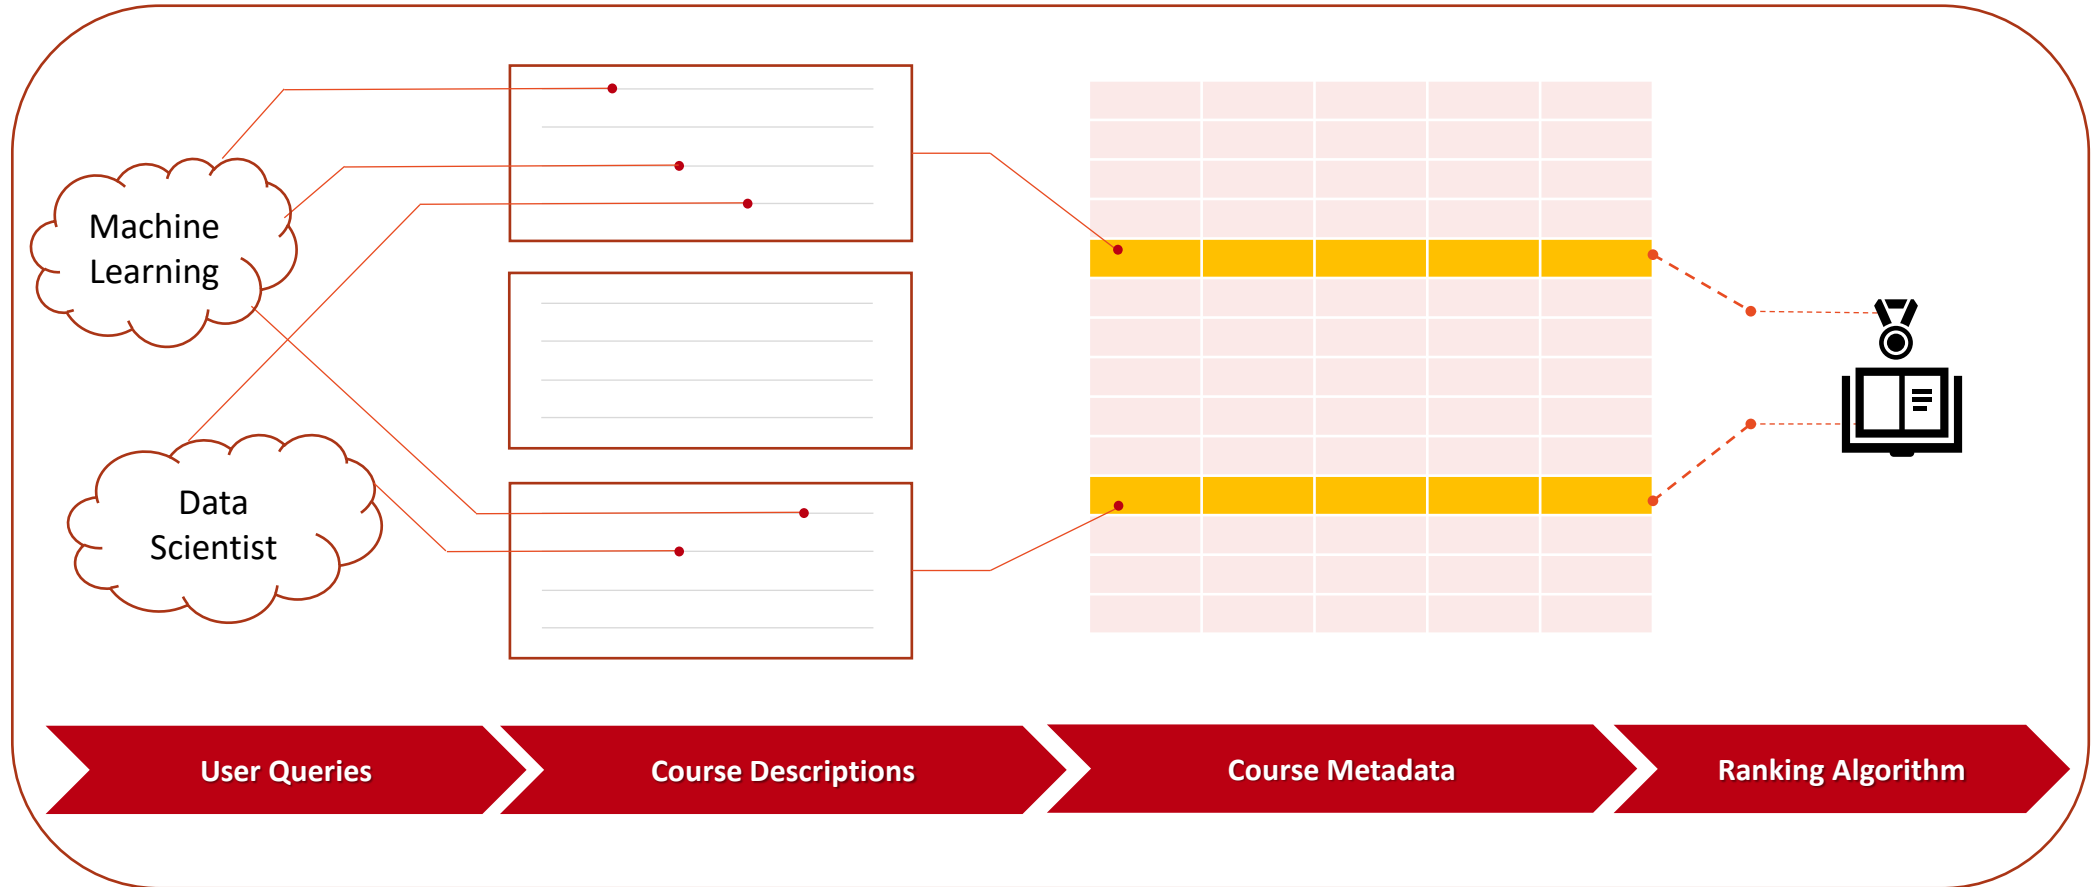

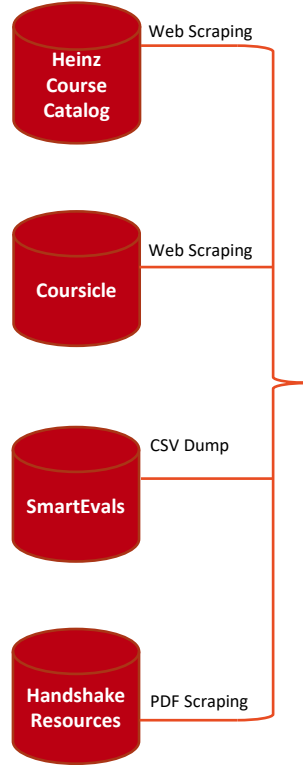

SCOUR A COURSE FOR HIGH SCORES.
